# From the Director

*“Music...is the essence of order and leads to all that is good, true and beautiful.”*  
-Plato

Dear Friends,

Throughout months of challenge and change, people all over the world have embraced the importance of music so beautifully stated by Plato. While the prudent cancellation of live music performances for the safety of performers and the public has been necessary, our deep-seated need for music to entertain and enrich us has motivated artists and audiences to turn to virtual, online alternatives to live performance.

Having discontinued in-person rehearsals in mid-March of last year, and with the likelihood of continued virtual activity for a substantial portion of 2021, at least, The Alexandria Singers are committed to a comprehensive strategy to continue pursuit of our Mission, “Artistry, Education and Service.” In addition to weekly “virtual rehearsals” on Zoom—which include music learning, educational enrichment, vocal development, and social fun—The Singers have made plans for online entertainment and educational offerings for our valued community, leveraging today’s technology platforms like Zoom, YouTube, Facebook, and others.

Has the “Singers Spirit” waned during these unique times? I can say with confidence, *“absolutely NOT!”* To the contrary, our innovative online “Virtual Guest Nights and Open Auditions” in September and January garnered a significant number of new members and members from the past. Singers alumni have even rejoined to participate in our virtual activities!

We hold dear our commitment to providing each other and YOU, our faithful fans and sponsors, events celebrating the joy of music. This “Virtual Cabaret” is a great example of fulfilling that commitment! For over a decade, The Singers have featured solo and small group performances presented by our talented Singers ensemble members in our very popular Cabaret offerings. I am delighted to host our second online Cabaret in the hope that it will bring you the same joy it has brought to our Singers as they’ve prepared their special performances, safely created in their own homes.

As you can imagine, The Alexandria Singers, as a 501(c)(3) non-profit organization, relies heavily on revenue from live performances to sustain and grow our valuable efforts to entertain, educate, and provide outreach to the Alexandria community. During these challenging times, I hope you will consider a donation to our [Spring2ACTION fundraising campaign](#). If you are a business entity and are interested in helping us, please contact [Development@alexandriasingers.com](mailto:Development@alexandriasingers.com) and our Development Team will be happy to discuss support options with you. If you are already a donor or sponsor, please accept my sincere thanks for your patronage!

So...now...*ON WITH THE SHOW!*

## Spring2ACTion Donor Challenge!

The Alexandria Singers are participating in Alexandria's online day of giving event [Spring2ACTion](#) on April 28th - with early giving open *now*! This year, more than ever, your donations to The Alexandria Singers during Spring2ACTion are critical to offset costs of digital productions and learning tools, professional creative staff, and our community outreach initiatives.

**Challenge!** A group of generous donors has created a grant to reward us when we hit our \$15,000 organizational goal. So far, \$4500 has been pledged for the challenge grant with hopefully more to come!

How we adapt and continue to thrive:

- Virtual weekly rehearsals on Zoom
- Enhanced digital learning media for independent music learning
- Virtual choir productions
- “Specialty Acts” featuring our Singers members auditioned and selected via self-produced videos
- New member auditions and interviews conducted virtually thru video submission and Zoom session

None of this would be possible without you, our patrons, family, and friends! As you reflect on giving opportunities during Spring2ACTion, please consider The Alexandria Singers to help us keep our voices raised in song and to stay **#SingersStrong**.
