

Alexandria Singers Ireland Travelers Update

All,

Just think, a year from now, we will have just returned from our fabulous trip to the Emerald Isle! In preparation for that adventure, and to make it as painless as possible, we are starting to organize the payment schedule, which will be tailored to each individual traveler based on which options are chosen.

As of July, we have 60 confirmed travelers. The cost per person remains at \$3150 for the group travel option and \$1905 for the land-only package, and is based on 60 travelers. If additional Singers, new Singers, and additional friends or family join, the cost per person may be reduced. Any adjustments will be made prior to the final payment in June 2018.

You can expect the first payment, which will be due in October, to be \$500, with recurring monthly payments closer to \$300.

I have included a separate sheet on which I will need information about each member of your party. I've requested your passport expiration date so you can confirm you know where you put it after you used it last and that the expiration is no later than December 2017.

Several people have expressed the desire for single rooms; the additional cost for a single is \$250.

The option still exists for an extended return date. Please note that we will work with MCI to determine return date options once we gauge interest. Further, please note that the extended return date will require travelers to secure their own lodging/accommodations and meals for the extra days/nights.

I would appreciate you completing the enclosed form at your earliest convenience, but no later than August 19th. Once I have your inputs, I will generate your payment schedule.

As always, please don't hesitate to contact me or Bill if you have any questions or concerns.

Lee
